

Frequently Asked Questions Regarding the American Rescue Plan (ARP)

How much will Eastern receive from the American Rescue Plan (ARP)?

Eastern will receive \$6,224,051 for Eastern students and \$6,222,200 for institution expenses.

Who will qualify for ARP grant money?

Students must be currently enrolled at Eastern Connecticut State University to qualify.

How will the funds be distributed?

The funds will be distributed through 2 programs

- Primary Relief - Program does not require enrolled students to apply and will be based on the student's full time or part time status.
- Emergency Relief Fund - Program will be for emergency fund requests and enrolled students are required to submit their specific reason for emergency aid to a committee for review.

Primary Relief Program

What is the Primary Relief Program?

The Primary Relief Program is where the majority of ARP Funds will be distributed and does not require any information to be submitted by the student to qualify. Students currently enrolled at Eastern who are matriculated students and are taking more than 3 credit will be automatically eligible unless they are receiving tuition waivers. Students with tuition waivers are not eligible unless your waiver is one of the following:

- Graduate Interns
- National Guard
- Resident Assistant
- Veterans
- Yellow Ribbon

Do I need to be a US Citizen to receive Primary Relief Program ARP funds?

Current students who are US Citizens, undocumented, and DACA students are all eligible for ARP funds.

How will the amount I receive be calculated?

Primary Relief Program payments will be based on the students estimated family contribution (EFC) and status as a full-time student or part-time student. Part-time students will receive a prorated amount based on their current semester registered credits.

When will the Primary Relief Program payment be distributed?

We expect to distribute the fall semester payment of Primary Relief Program ARP grant funds by the end of September 2021. The spring semester payment is expected to be distributed by the end of February 2022. Students who register for eRefunds will receive their funds faster than those receiving checks sent to their home address listed in their Banner student account.

How will payments be distributed?

If you signed up for eRefunds you will receive your funds faster than a check mailed to your address. If you are not signed up for eRefunds your check will be mailed to your home address as identified in your Banner student account.

What is the fastest way to receive the funds?

There is no fee to set up eRefunds and it is the quickest way to get your money. Use the following process to set up your eRefunds payment.

1. Go to [eWeb](#)

How much money will I receive?

The actual amounts are not determined at this time. The payment amount for the fall semester will be calculated when all approved students are determined using the fall semester September 16, 2021 census date. The payments will be based on your estimated family contribution (EFC) and status as a full-time student or part-time student. Part-time students will receive a prorated amount based on their current semester registered credits. The spring semester will follow the same procedure using the February 9, 2022 census date.

Emergency Relief Fund

Eastern has established up to \$500,000 of the ARP student portion to be used for Emergency Relief funds that students can apply directly for award consideration.

The Emergency Relief Program instructions and process are currently under development and will be available at the start of the fall semester.

Eligibility will follow the same criteria as the Primary Relief Program with the addition of International students who will also be eligible for the Emergency Relief Fund.

Students will need to apply for consideration of relief funds under the Emergency Relief Fund
