Fall 2015 Freshman Preference Registration (FPR)

Dear Paige, Welcome to Eastern Connecticut State University!

To begin the preregistration process, you must complete Freshman Preference Registration (FPR), accessible through eWeb, Eastern’s Online Services platform. Please follow the directions in order to make sure you understand the process and successfully preregister for fall 2015 courses.

In order for the registration tool to function properly, you will need to make sure your current major is accurate. As of now, you have chosen:

- Pre-Elementary Education
- Environmental Earth Science

If you are planning on studying a different program than the major(s) listed above, please click on the “Declare/Change Major” link located under the Admissions tab in eWeb. Make sure you have chosen the correct major before beginning your course registration.

1. Beginning Monday, May 4th at 4pm and ending on Thursday, June 4th at 4pm, the FPR online process will be available to incoming first-year students who have paid their tuition deposits. Curious what the registration process will look like? Check out this video!

2. To access Freshman Preference Registration, please click the following link and continue reading the instructions on this page: http://eweb.easternct.edu
   - Click on Login
   - Enter your 8-digit Eastern ID, 10216597, and your eWeb PIN
     - If you forgot your PIN, please enter your Eastern ID and click “Forgot PIN”
     - If you forgot your PIN and have not yet set up a security question, you will need to reset your password. Have your Eastern ID ready; call the Help Desk at 860-465-4346.
   - Click the Admissions tab at the top of the page
   - Click the Freshman Preference Registration link

3. It is in your best interest to complete Freshman Preference Registration as soon as possible. Pre-registration must be completed prior to attending SOAR (Student Orientation Advising and Registration) and must be completed no later than June 4, 2015. Early completion of the FPR process will increase your chances of receiving your preferred courses. Also, failure to participate in the SOAR Program may result in the cancellation of your Freshman Preference Registration schedule.

4. Incoming students are placed into appropriate math and writing courses based on SAT or ACT scores. In addition, some students are required to complete a Writing Placement essay to ensure accurate placement. If you are required to write the essay, instructions were sent to your Eastern email address.
   - If you are required to complete a Writing Placement essay, you should complete the process online before May 7, 2015.

If you need help, please call!
The Advising Center’s hours of operation until May 8, 2015:

Monday-Thursday: 9:00 A.M. – 7:00 P.M.
