Workshop I
Time Management and Study Skills
Students who are most successful in college have developed a set of skills that help them study and manage their time effectively. This workshop will share some of these secrets of academic success, such as how to maximize your study time for better retention and understanding, how to engage in class in a way that will help you remember the material, and how to schedule your day to keep you on track.

Workshop II
Back on Track
Plan to get off Academic Probation and graduate on time. You will learn how to calculate the Semester GPA needed to get off of Academic Probation and how to review your Degree Evaluation. Also are you in a course that you may fail? Do you want to put a course on credit/no credit? Can I withdraw from a course? This workshop will answer your questions on these topics, and any other academic concerns you may have.
