

# Senior Exhibition 2010 Guidelines for Submission

Akus Gallery, ECSU, 83 Windham Street, Willimantic, CT 06226

Tel: 860-465-4659 (gallery) 860-465-0293 (office)

**SENIOR EXHIBITION DATES: May 13 – 23, 2010**

## WHO AND WHAT

\*The exhibition is for senior visual arts majors only. Submissions will be a senior project. If there is a situation, however, in which a student's independent study is preferred and has received the approval of the student's advisor, then said independent study may be entered in lieu of the student's senior project. In the event that a student has more than one piece being entered into the exhibition, the student in conjunction with his/her advisor, should prioritize the artworks as to which they would want to be installed. We have a small space with a lot of talent to be displayed; we would like your help in ensuring that all artists have an equal opportunity to show their art. Double majors are permitted to submit 2 pieces. Students with work in group portfolios are permitted to submit 1 piece to the exhibition.

## DROP OFF

\*All artwork must be brought to Shafer Hall between April 19 – 30 as specified in the schedule below. There will be no exceptions to the deadlines:

Mon, April 19 – Fri, April 23, Rm 11, Shafer Hall, 9:00 to 5:00

Sat/Sun April 24-25 – CLOSED. NO SUBMISSIONS

Mon, April 26 – Fri, April 30, Rm 11, Shafer Hall, 9:00 to 5:00

\*All paper work must accompany drop off; we will not accept the art into our possession until all paperwork is complete including artist statements. Those submitting more than one piece will complete a separate entry form for each piece. Artist statements must be typed.

## LAYOUT AND INSTALLATION

\*It is expected that any student preparing to have art in the exhibition will have visited the Akus Gallery during a previous exhibition. It is imperative that students see the space in which they will exhibit. N.B. The exhibition "Chahar Ghesmat" is up until May 6<sup>th</sup>.

\*Art to be exhibited must be in appropriate condition for installation. If it needs to be matted, framed, and/or equipped with hanging hardware it must be done prior to drop off. The gallery will work with installation instructions/requests but will not have the time or resources to frame, wire, etc. This is the responsibility of the student.

\*In the event that other materials may need to be used for installation please make a note of it in the notes section on each form submitted. Materials included but not limited to: pedestals, TV's, computers, DVD players, projectors and sound devices.

\*In the event that a layout design is pertinent to how an artwork is displayed, please add it to the note section on each entry form. N.B. Final decisions regarding layout and installation of the show will be at the discretion of Akus Gallery.
