

WHAT'S THE BIZ?

ENTRA-PA-NEUR WHAT?

Starting with sixteen letters and ending with budding business men and women, we are the new club on campus that no one can pronounce. Entrepreneurship Club existed a number of years ago, but due to inadequate public relations, its number of members dwindled until last year the club finally disappeared. Now renewed with refreshing vigor and backed by a brand new executive board led by President Cody Hall, we are here to stay.

Our first order of business: don't make the same mistakes as our predecessors. Having just been approved as an official club at the end of March, in no time at all we have scheduled a guest speaker, elected an executive board, and even created a student-run newsletter encompassing the Business Department and beyond.

Our club name may be a mouthful, but it's one that we're hoping leaves a pleasant aftertaste for many years to come.

MESSAGE FROM BUSINESS CHAIR

Hello, I'm very pleased to present the first edition of Eastern's Business Administration Newsletter. We owe a huge debt of gratitude to the Entrepreneurship Club & their advisor, Dr. Buck, for creating the newsletter.

Our department offers a variety of majors and minors to students interested in careers in Accounting, Business, and Information Systems. These are busy, exciting times for all of us. We are making plans to submit an AACSB Eligibility Application within the next year. Plus, the Excellence Expo (May 4th), and the Commencement Ceremony for graduates (May 22nd) are nearly here.

ADVISOR'S CORNER

Confused about course requirements? Questions about finding an internship? Not sure which courses to take? Your academic advisor can clear up the confusions, answer your questions and advise you on courses.

You need to meet with your advisor at least once a semester for your registration code. But to get the maximum benefit from your major, you should meet with your advisor at least twice during the semester.

You need to take the first step: contact your advisor and setup an appointment. And watch the Advisor's Corner for advising news, tips and suggestions for Eastern Dept. of Business Administration students. Don't hesitate to send us any suggestions you have!
