### Transfer Students:
Students who have evidence of having taken comparable courses elsewhere should provide a copy of the relevant catalog description, transcript, and course syllabus.

### Course Offering Guidelines:
If a student cannot register for a course because it is full or needs a prerequisite, they can contact the instructor for permission to enroll.

### Graduation Rules:
If some students plan to graduate before a certain course is offered, they may request the LHR coordinator's permission to take a similar course elsewhere by providing a catalog description of the substitute course.

### Eastern Writing Requirement For LHR:
All Eastern Students are required to complete university W1, W2, and W3 writing requirements: The W1 requirement is either English 100, 100P, 200 or HON 200. The W2 requirement is taking two Writing Enhanced courses approved for your major (BUS 201 and ECO 330) OR a total of taking two W3 (Writing Intensive) approved courses within any LHR related departments to satisfy both the W2 and W3 Writing Requirements. Example: A student transfers in BUS 201 and ECO 330 which were not Writing Enhanced courses at the other school, therefore the student takes his/her major's W3 course (ECO 329) and a second W3 course (ECO 479, BUS 377, or BUS 365) from one of the LHR departments (Psychology, Business Administration, Economics) to satisfy both W2 and W3 requirements.

---

Please note that the LAC Foundations for non-transfer students MUST be completed within the first 30 credits at Eastern.
Also note that these plans of study are only two suggestions, other plans of study may be used.
