### Notes:

- A minimum of 24 credit hours of the Advanced Accounting Requirements must be completed at ECSU for the Accounting Major Degree.
- No more than 2 Advanced Accounting courses can be transferred to Eastern. ACC 303 and 311 function as Writing Level II - Writing Enhanced courses for Accounting major students. ACC 302 and 311 are transferred in, other Writing Level III courses must be taken for requirement.
- **Students majoring in Accounting are required to take ACC 201 to satisfy LAC - T1SS and ECO 201 to satisfy LAC - T2IS. Only these two courses may double count between LAC Tiers 1 and 2 and the Accounting major.**
- **Students transferring 30+ credits to ECSU, having not taken an LAC-T1SS course may take ECO 201 concurrently with a LAC-T1SS course with special permission from the Economics Department.**
- **Students transferring with 30+ credits to ECSU, not having taken an LAC-T1SS course may take ECO 201 concurrently with a LAC-T1SS course with special permission from the Economics Department.**
- **Students transferring with 30+ credits to ECU, not having taken an LAC-T1SS course may take ECO 201 concurrently with an LAC-T1SS course with special permission from the Economics Department.**
- **Eastern Writing Requirements for Dept of Business Administration Majors:**
  - All students are required to complete university W1, W2, and W3 writing requirements. The W1 requirement is taking either English 100, 100P, 200, or HON 200. The W2 requirement is taking two Writing Enhanced courses approved for your major (BUS 201/BUS 225) OR a total of taking two W3 approved courses within the Dept of Business Admin to satisfy both the W2 and W3 Writing Requirements. I.e. A student transfers in ACC 301 and ACC 311 which were not Writing Enhanced courses at the other school, therefore the student takes the major’s W3 course (ACC 411) and a second dept W3 course (BUS 301, BUS 377 or BUS 365) to satisfy both W2 and W3.
  - **Note:** Two LAC Tier 2 categories must be completed at Eastern. The LAC Tier 3 requirement must be completed at Eastern. If the student transfers in the subject content of their majors LAC Tier 3 course (ACC 411), they must satisfy the LAC Tier 3 requirement by taking another LAC Tier 3 course from within the Department (BUS 301 or BUS 377).
  - **Note:** Transfer students from one or more accredited institutions who enter with 60 or more transfer credits shall be considered to have met the rest of Eastern’s Liberal Arts Program Tier I, including Natural Science with a lab providing that they transfer a minimum of 27 credits in liberal arts disciplines: humanities, social sciences and natural sciences. All students must satisfy the T1M and T1W requirement. Students transferring in 15 or more credits are waived of the T1-FYE requirement. (this applies to students starting Fall 2011 or later)
