### # = Must Be Completed Within First 30 Credits

- Tier 1 Prerequisite required to be completed before taking Linked Tier 1 Category
- → One tier 1 Prerequisite required to be completed before taking Linked Tier 2 Category
- → → Tier 1 Prerequisite strongly encouraged before taking linked Tier 2 Category
- → → → Two Tier 2 Prerequisite categories to be completed before taking Tier 3 Capstone

++ All students must complete either a Tier 1 or Tier 2 Natural Science course (T1NS or T2NS) with a lab so that a total number of credits between T1NS and T2NS equals 7.

\* All Accounting transfer students must fill out in Column A for transfer credits completed and accepted at ECSU. Column B - for all credits completed at ECSU only.

\*\* A minimum of 24 credit hours of the Advanced Accounting Requirements must be completed at ECSU for the Accounting Major Degree. No more than 2 Accounting courses can be transferred to Eastern.

\*\*\* Students majoring in Accounting are required to take ECO 200 to satisfy LAC - T1SS and ECO 201 to satisfy LAC - T2IS, which will count both towards the respective LAC Tier 1 and Tier 2 categories and the Accounting major (in other words "Double Count"). Only those two courses may double count between LAC Tiers 1 and 2 and the Accounting major.

## To be finalized later: Courses gaining approval to be offered as LAC Tier 3 courses for the Accounting major will double count as both the LAC Tier 3 course for Accounting major students and as an Accounting major course for the the student.

\*1 Students transferring 30+ credits to ECSU, if they have not taken an LAC-T1SS course prior to Fall 2009, they may take ECO 201 concurrently with an LAC-T1SS course by obtaining special permission from the Dept. of Economics.

\*2 Students transferring 30+ credits to ECSU, if they have not taken an LAC-T1M course prior to Fall 2009, they may take ECO 215 concurrently with an LAC-T1M course by obtaining special permission from the Dept. of Economics

**Additional Note:** Within the 120 credits required for the baccalaureate degree, 60 cred higher, and at least 30 of these credits must be at the 300-400 level.
