This unique event, organized as a reverse-career-fair, will allow recruiters to visit student display booths and meet candidates looking for internship and employment.

The **Networking Picnic** is an informal and cost-effective way to network at Eastern, meet student talent, and enjoy a BBQ with friends. Attire is casual and registration is FREE so confirm your attendance on-line today!

Last year over 100 students from more than 20 organizations created display booths. Participants included members from:

Student Government Association, American Marketing Association, Education Club, Accounting Club, M.A.L.E.S., Rugby team, Biology Club, F.E.M.A.L.E.S., West Indian Society, Advanced Leadership Council, Entrepreneur Club, and Public Relations Student Society of America.

The entire Eastern campus community has been invited and we expect a great turnout. We hope that you will join us on April 29th.
