Meet Matt Dausey, Human Resource Manager for Foley Carrier Services, LLC (BirdDog Solutions Inc), and Eastern alumnus from the class of 2000. Matt currently serves on Eastern’s Employer Advisory Board. This spring he visited campus to help students perfect their communication skills at the Center for Internships and Career Development’s Networking Event and has participated in on-campus recruiting. Matt is always looking to recruit fellow Eastern alumni and students!

Meet Alissa Belcourt, Verizon Wireless Recruiter. You will find Alissa on-campus often recruiting Eastern students for their internship and full-time opportunities. Recently Alissa attended the Center for Internships and Career Development Networking Event with fellow Verizon colleague and Eastern alumna, Danny Szmikru. Just recently Verizon Wireless conducted Eastern’s first ever virtual interviews! Eleven students participated and great feedback was received.

THANK YOU FACULTY... for letting us participate in your department meetings and for your interest in collaborating with our office. We look forward to working with you during the next academic year. Please continue to:

❖ Share academic internships with us so that we can highlight student internship success in your department.
❖ Contact us to set a date to have our staff facilitate career development presentations in your classroom.
❖ Refer students to our office to meet with a career counselor.
