

**Release of Liability and User Indemnity Agreement for Extra Curricular Travel  
During a Global Field Course**

I, (print full name), \_\_\_\_\_, hereby acknowledge that should I decide to voluntarily and independently separate myself from Eastern Connecticut State University's \_\_\_\_\_ Global Field Course Program to pursue independent, personal, non-academic travel activity during periods such as weekends when class is not in session or after the program terminates, I understand that continuing my travels independent of the supervision of Eastern Connecticut State University employees is strictly a matter of personal choice and has nothing to do with the coursework for the \_\_\_\_\_ Global Field Course.

I understand that independent travel without supervision by Eastern employees may be hazardous. I agree that I am solely responsible for determining the safety of any region I may choose to visit on my own prior to my return to the United States. I acknowledge that I will be leaving the Eastern Connecticut State University sponsored program voluntarily; I certify that I am in good health and fit to continue my travels and undertake responsibility for my own safety.

As lawful consideration for having been permitted to depart the scheduled program when classes are not in session, to pursue personal, non-academic travel activity, **I hereby release Eastern Connecticut State University from any liability for any injury or death caused by or resulting from continued extracurricular travel activity.**

**It is my intention that this contract shall be legally binding upon me, my heirs, my estates, assigns, legal guardians, and my personal representatives.**

**DO NOT SIGN THE RELEASE IF YOU DO NOT UNDERSTAND OR DO NOT AGREE WITH ITS TERMS.**

No one less than 18 years of age shall be permitted to take part in this activity unless they are accompanied by a parent or guardian who undertakes sole responsibility for their supervision and safety.
