

## EASTERN CONNECTICUT STATE UNIVERSITY

Dear Recruiter,

You are cordially invited to Eastern Connecticut State University's 4<sup>th</sup> Annual Accounting Career Fair scheduled for Thursday, October 9, 2008. The Career Fair will be held from 3:00 to 6:00 p.m. in the Betty Tipton Room in the Student Center.

The 2007 Accounting Career Fair was very successful with 25 employers and over 150 students participating. Eastern's accounting program continues to grow as well. We currently have over 300 accounting majors on campus. The cost to participate is \$100.00 which includes a table, 2 chairs, signage and refreshments. A confirmation letter with directions, a map, and instructions for parking will be mailed to you upon receipt of your registration form and payment.

If you are interested in conducting on-campus interviews on the day of the fair or after meeting candidates at the fair, please call Career Services. Space is available and we can coordinate a full or half day schedule for you.

All Eastern students and alumni accounting majors have been invited, and the accounting department faculty will be in attendance. We hope that you will join us on October 9<sup>th</sup>.

Sincerely,

Nancy DeCrescenzo, Acting Director  
Office of Career Services  
(860) 465-0306
