

FEDERAL STAFFORD LOAN INFORMATION FORM 2007-2008

In order for us to certify your Federal Stafford Loan eligibility you must select a lender and know the six-digit lender code associated with that lender. To choose a lender we suggest that you first contact your bank and then compare their benefits to the benefits offered by other lenders. This information can be found by searching Stafford Loans on the internet. Please consider the following when making your lender choice:

1. Is this lender a participant of the FFEL Stafford Loan program? ECSU DOES NOT participate in the Direct Lending program.
2. Are there any fees associated with this loan? If there are, are they the borrower's responsibility?
3. Does this lender offer any special benefits to the borrower once the loan goes into repayment?

Once you have made your choice, you must complete the bottom portion of this form and return it to:
