

ENERGY DAY CURRICULUM IDEAS-MUSIC

Topic	Elementary	Middle School	High School
Mu1 Ethnic Vibes	X	X	X
Mu2 Recycled Band	X	X	X
Mu3 Energy Songs		X	
Mu4 Techno Tunes		X	X
Mu5 Sound Waves		X	X

Mu1 Ethnic Vibes

Listen to music from other cultures and discuss the instruments used.

Mu2 Recycled Band

Make your own recycled band and make some music.

Mu3 Energy Songs

Make your own energy songs. Record them for younger children. Discuss how music can be used to teach or promote an idea.

Mu4 Techno Tunes

Investigate the energy used to create music. Discuss how technology has changed how music sounds and how it is produced.

Mu5 Sound Waves

Investigate sound wave energy. Use different tools to transmit or buffer sounds.
