Eastern's Commencement Moved Indoors

Willimantic, CT- As a result of the poor conditions of the outdoor commencement site, the 2006 Eastern Connecticut State University Commencement exercises will be held inside the Francis E. Geissler Gymnasium and the two guest restriction will be enforced. All other related events will be held as planned.

###

Eastern Connecticut State University is part of the Connecticut State University (CSU) system and is the state's public liberal arts university. ECSU serves more than 5,000 students each year on its Willimantic campus.
