- refund the credit balance to the student

The Federal Direct PLUS Loan is a non-need based, fixed-rate 7.9% loan for both the parent of the dependent undergraduate student and eligible graduate or professional student to assist with educational expenses. You may request up to the student's Cost of Attendance Budget less any already awarded financial aid. Repayment of the Federal Direct PLUS Loan begins 60 days after the loan is fully disbursed. The graduate borrower may request deferment while in school. If you are credit denied a Federal Direct Parent PLUS loan, your student may be eligible for additional Federal Direct Unsubsidized Stafford Loan funds.
