October 15- November 25: Exhibition Reception *Wayfinding* from 4:00 PM - 7:00 PM at Akus Gallery

The exhibition *Wayfinding* considers how seven artists explore our global interconnectedness and how they map their experience visually. These seven use disparate methods and materials – some ancient such as the hand ground and tinted marble dust sand paintings of Tenzin Wangchuk and some contemporary such as topographical map-like plywood and cardboard constructs of Itamar Jobani— as each explores the interconnectedness of our very individual journeys. Other artists include Janice Caswell, Nina Katchadourian, Sandy Litchfield, Yvonne Jacquette and Joyce Kozloff.
