The Office of AccessAbility Services aims to meet the unique educational needs of students with documented permanent and temporary disabilities.

Students must submit disability documentation to the Office of AccessAbility Services for review in order to determine eligibility.

Basic Definitions.

**Disability:** A physical or mental impairment that substantially limits one or more of the major life activities. One who meets one or more of the following:

**Major Life Activities:** Include, but are not limited to: caring for oneself, speaking, walking, seeing, hearing, breathing and learning.

**Substantially Limit:** Unable to perform or significantly restricted as compared to persons without such disability.
Under the American with Disabilities Amendment Act, individuals with disabilities are guaranteed certain protections and rights to equal access to programs and services. Eligibility for accommodations is determined on a case by case basis based upon the documentation.

Reasonable Accommodations are those which do not result in a significant alteration of the position, program or activity or incur undue financial and administrative burdens.
