**Please select 30 credits from the options on the reverse. Your selection must include 5 core courses, one culminating experience, and enough electives to total at least 30 credits.**

By signing this Plan of Study Form, I recognize that I have 6 years to complete the program from the date of my first credit applied to the program (including transfer courses). I further understand that this is not a contract; I may change my plans at any time and the University may also be unable to offer courses in the sequence I desire.
