Introduction

Why have a session on *Programming Beyond the Surface*?
Today’s Objectives

1. RA’s will be able to develop programs that relate to topics that they are passionate about.

2. RA’s will be able to identify creative ways to engage their residents.
What makes a good program?
Identifying passions and how they apply to the real world. Making a difference one conversation at a time.
Pop culture and social justice. Making real world issues relatable to everyone.
