Do you want to join our team?

Do you enjoy helping others? Does the thought of planning programs for others seem like fun? Are you creative? Do you like people? Have you ever thought about becoming a Resident Assistant (RA)? If you answered yes to any of these questions and have ever thought about becoming an RA, now is the time!

Being an RA is a great way to help others, get to know your peers, improve your communication and mediation skills and gain many other skills that will help you in any profession. In return for the effort and hard work you put into our students and the position, RAs are given a waiver for room and board (if assigned to a meal plan required hall) and receive a paycheck every two weeks for 12-18 hours.

Resident Assistant applicants must be in good judicial standing, have a 2.7 GPA at time of application and have earned 24 credits. Students in their first or second semester at Eastern can still apply if they have not yet earned 24 credits, but students must have 24 credits at the end of the spring semester. Students who do not meet the minimum 2.7 GPA requirement cannot apply.

The application deadline is quickly approaching. Applications are due on-line at https://www.ecsujobs.org/ by February 4th. Super Saturday is a fun afternoon of activities designed to see how you work with others. Super Saturday takes place on Saturday, February 20th from 1pm-5pm. Applicants who are eligible to participate will be notified and invited to Super Saturday. At the end of the day, applicants will sign up for their professional staff interview. Interviews will take place February 22nd through 26th in Wood Support Services on the 2nd floor, near the Housing Office.

If you have other questions, please feel free to ask an RA or a Hall Director today. What are you waiting for?
