Running for awareness

Students and faculty gathered outside the Student Center at Eastern Connecticut State University to run a marathon to show their support for the 46.2 million people in the United States living in poverty. The goal of the Poverty Awareness Marathon, organized by the Center for Community Engagement, was to collect 462 nonperishable food items to donate to the local Covenant Soup Kitchen and Food Pantry in Willimantic. A donation was required to register for the 26.5-mile run around campus. Donations of money and children’s books were also accepted, as well as pledges to read to children at Eastern’s Child and Family Development Resource Center.
