Old Business

3. Review of resubmitted course proposals: 
   
   ART 219 (Expression with Color Media) for Tier II Creative Expressions – Approved (Stoloff, James)

4. Technological Literacy ICE – What next? 
   Propose that all faculty teaching Tier I courses assist students in developing the basic computer literacy skills needed to fulfill the technological literacy competencies. The use of E-portfolios would be a very helpful tool in this process.

5. Heath & Wellness credit for military basic training – Discussion continues.

New Business

6. Review of newly-submitted course proposals: 
   
   EES 320 (Environmental Management) for Tier III – Two-year Temporary Approval (Stoloff, James)
