MINUTES

LAW COMMITTEE

22 NOVEMBER 2010

Attending: Nicole Krassas, Fred Loxsom, Anita Lee, Chris Ayeni, Lisa Fraustino, Nancy DeCrescenzo, Shelly Gimenez, Kathleen Fabian, Mike Stenko, Nancy Salter

1. Minutes of the previous meeting were approved with the amendments that Mike Stenko attended the 8 November meeting and Anita Lee attended the 25 October meeting.

2. Nancy Tarkmeel attended the meeting to explain how the Credit for Lifelong Learning program works and how it could be used to fulfill the LAW requirement. The Committee advised that the LAW learning goals from the Senate bill be added to the learning objectives to be evaluated by the CLL Assessment Committee and then a proposal be submitted to the LAW committee.

3. Fred Loxsom, who is working with Ken Bedini to coordinate the LAW committee’s role for the Winter Retreat, led discussion on that role. The committee agreed that it would like to have the first half hour to present a report on its progress, that the already-planned presentations of experiential learning could be introduced as examples of the kinds of work that might ultimately be deemed as meeting the LAW requirement, that members of the LAW committee would serve as note-takers for the break-out discussion groups focusing on LAW topics.

4. The application of the Sports and Leisure Management program will be considered at the next meeting, and an application from the Communication department is expected soon.
