[†] Percent minority = (number of minority students) / (number of minority + white students)

For the Fall 2006–2015 cohorts, minority is defined as Asian, Black, Hawaiian/PI, Hispanic, Native American, or Two or More Races.

For all years prior to 2006, minority is defined as Asian, Black, Hispanic, or Native American.

International students and students not declaring ethnicity are not included in any analysis except the overall retention or graduation rate in the column "All FTFTF."
