2. President’s Report: 
   a. President's Breakfast
      i. The last President's Breakfast was on Thursday, April 12. There was a very good turn out from clubs that President Nunez usually does not get a chance to hear from.
   b. Town Gown
      i. At the last Town Gown meeting the community voiced their compliments about Eastern in specific the community service that the university does through the CCE. This is refreshing as the community concerns part of the Town Gown is usually used as a time for the community to complain about eastern.

3. Vice President’s Report:
   a. Elections Committee
      i. Volunteers are needed to stand outside of Webb to help promote elections. Promotional sunglasses will be coming in later this week.
   b. Committees
      i. BAM
1. The committee has completed approximately 1/3 of the FRPs. Only a couple of clubs have submitted award nominations.

ii. Internal
1. The final touches on the banquets are being processed now. The Internal Banquet is on April 26 at 6:30 and The Club/Org Banquet is being held on May 4 at 5:00.

iii. Promotions
1. The committee would like to thank everyone for his or her hard work with the candidate meet and greet. Committee members as well as the senate should be promoting elections during this week.

iv. Res Life
1. Noble's SGA event will be taking place tonight in the Open Lounge. If anyone would like to volunteer at this event they should see S. McCabe or E. Alberghini following the meeting.

v. Involvement
1. Wiener Wednesday went very well. 300 surveys were passed and received. The data will be collected and analyzed within the next week.
2. Z. Yeager will be meeting with WRTD on Wednesday to discuss the possibility to amending some of the current problems with the SGA Shuttle.
3. Moldy hot dog buns were served at the last Wiener Wednesday. P. Bjornstad will be contacting Chartwells regarding this issue.
4. There is also an issue regarding lost items being turned into the Police. Apparently a student was told, when turning in a misplaced bag to the police station, that they don't take personal items. M. Kandemir will be looking into this problem.

4. Treasurer's Report
   a. General Board: $8,260.45
   b. Executive Board: $4,512.46

5. Secretary's Report:
   a. Nothing to add at this time.

6. Advisor's Report:
   a. There are a couple of events that the senate should attend this week. On Thursday, Jordan Burnham of Active Minds, will be taking about surviving his suicide attempt. Fresh Check day will be taking place on Saturday from 12-3. This is going to be a huge event and a great opportunity.

7. Old Business:
   a. Nothing to add at this time.
8. **New Business:**
   a. Nothing to add at this time.

9. **Open Floor:**
   a. T. Aviles of MALES spoke to the senate regarding a recent BAM decision. MALES had requested that the money that would have been used for Mr. Eastern be reallocated for Project Beautification. The BAM committee had decided to deny the request because the deadline for new business had previously passed so that the committee could focus on FRPs.
      i. **Motion #67 (A. Cross, S. McCabe):** Motion to overturn the BAM decision regarding the money of the MALES Mr. Eastern event be reallocated to go to Project Beautification. **(19-2-2) Motion Carries.**
      ii. Z. Yeager expressed his concern that this marks a very dangerous precedent by overruling the BAM decision.
      iii. A. Cross stated that he was in favor of this motion because the money belongs the students and the clubs and that is should go to these individuals instead of going to SGA reserves.
      iv. S. Nolan stated that SGA gives BAM the charge of helping the clubs and supporting them and that BAM should continue this charge and support the clubs.
   b. A. Bullard discussed the recent Student Advisory Committee meeting. The SAC met to discuss Senate Bill 40 also known as the “Right To Fail” bill. The committee has written a letter to the legislature regarding their opposition to this bill. The bill originally came from Senator Beth Bye. There is a huge disconnect because it was drafted based on high school and not a higher education basis. SGA will decide at the next meeting where a formal latter should be addressed to legislature to come from SGA.
   c. The last meeting of the current senate will be on April 23.

**Meeting was closed at 3:40 pm.**
