      2. Campus Lantern
         a. R. Silberquit explained to the Senate that the Campus Lantern requested an additional $600+ for an additional issue is November and was denied. The reasoning behind the decision is that SGA already allocates $4,500 towards printing for the Campus Lantern.
         b. M. Kandemir wanted to inform the General Board that if the Campus Lantern was holding an event, they would have been given the money but since it was for printing, they were denied.
         c. The question of how often the Campus Lantern has an issue arose to which M. Hicks said every two weeks.
      3. Planning Ahead
         a. R. Silberquit has been receiving requests from clubs to purchase conference and plane tickets a semester ahead to save money. The money would have to be taken out of reserves because this semester’s budget has already been allocated to clubs.
