Student Intervention Protocol

As a member of the Eastern Connecticut State University community you may come in contact with students who are experiencing personal distress or difficulties coping with college. Students may reveal problems to you through personal communication or indirectly by their general behavior.

Please be aware of the following calls for action and support available so that you are equipped with the information necessary to assist our students.

1. If you believe someone is in imminent danger of harm to themselves or others, immediately call 911 to initiate an emergency response.

2. Complete the “Tell Somebody” online report form at www.easternct.edu/tellsomebody to provide detailed information on any behavior that is concerning you and needs to be brought to the attention of the Student Intervention Team.

3. If you are concerned about a student, but it is not an imminent danger situation, call the Dean of Students Office at (860) 465-5244 or (860) 465-4412 or any member of the Student Intervention Team (below).
