Agenda Items In Review

1. Parking:
The parking bans issued during the recent winter storms seemed to have worked for the off-campus student residents who own cars.

2. Trash:
Trash continues to blow into neighbors’ yards from Eastern dumpsters. It was suggested that better planning for locations of these receptacles would be recommended to eliminate this problem.

3. Meet and Greet:
Mr. Angelo Simoni and Dr. Walter Diaz, Dean of Students, will meet off-campus residents after Eastern’s spring break which is March 21-26. Mr. Simoni will also do a ride-along with the Willimantic Police the week before Spring Weekend at UConn which is April 21-23.
