The meeting was called to order at 6:30 p.m. by Kim Silcox. Shirley Mustard indicated that Dr. Carter had promised a berm would be installed on High Street by the new parking lot. She also indicated that the lights at the Admissions Office are too bright at night and was told that would be rectified but it has not to date. The Clock Tower rings every 15 minutes starting at 6:15 a.m. and Mrs. Mustard asked if it could start later and be a little softer. This information will be relayed to Dennis Hannon, Vice President for Finance and Administration.

Dick Grillo commented that trash pick up around Low Rise has been particularly bad in the last two months.

Khatisha Byrd of the Community Service Office at Eastern educated the group on the role of the office and activities that have been planned.

The meeting was adjourned at 7:30 p.m.
