**Eastern Writing Requirements for Dept of Business Administration Majors:**

All Eastern Students are required to complete university W1, W2, and W3 writing requirements. The W1 requirement is taking either English 100, 100P, 200 or HON 200. The W2 requirement is taking two Writing Enhanced courses approved for your major (BUS 201 and BUS 225) OR a total of taking two W3 (Writing Intensive) approved courses within the Dept of Business Admin to satisfy both the W2 and W3 Writing Requirements. Example: A student transfers in BUS 201 and BUS 225 which were not Writing Enhanced courses at the other school, therefore the student takes his/her major’s W3 course (BIS 377) and a second dept W3 course (ACC 303, BUS 301 or BUS 365) to satisfy both W2 and W3 requirements.

---

Transfer Students:

Students who have evidence of having taken comparable courses elsewhere should provide a copy of the relevant catalog description, transcript, and course syllabus to Advisor or BIS Coordinator.

**Course Offering Guidelines:**

If a student cannot register for a course because it is full or needs a prerequisite, they can contact the instructor for permission to enroll.

The on-line June offerings in BUS 205 and the summer offerings of BIS 361 and BUS 205 provide flexibility in the design of your course sequence. Some classes may be available via video conferencing at Groton. BIS 364 and BIS 462 (BIS electives) will be offered online, hybrid, or in face to face instructor mode after 2008 as specified in the above schedule.

**Graduation Rules:**

- Students who take a BIS minor cannot take a Social Informatics minor and vice versa.
- Students majoring in BIS cannot have a BIS minor, MIS minor, Social Informatics minor or a certificate in BIS due to the university rule that a minor needs to have at least 9 credits distinct from a major program.
- If some students plan to graduate before a certain course is offered, they may request the BIS coordinator's permission to take a similar course elsewhere by providing a catalog description of the substitute course.
