### Transfer Students:

Students who have evidence of having taken comparable courses elsewhere should provide a copy of the relevant catalog description, transcript, and course syllabus.

### Course Offering Guidelines:

If a student cannot register for a course because it is full or needs a prerequisite, they can contact the instructor for permission to enroll.

### Graduation Rules:

Students who have evidence of having taken comparable courses elsewhere should provide a copy of the relevant catalog description, transcript, and course syllabus.

### Eastern Writing Requirement For LHR:

All Eastern Students are required to complete university W1, W2, and W3 writing requirements. The W1 requirement is either English 100, 100P, 200 or HON 200. The W2 requirement is taking two Writing Enhanced courses approved for your major (BUS 201 and ECO 330) or a total of taking two W3 (Writing Intensive) approved courses within any LHR related departments to satisfy both the W2 and W3 Writing Requirements. Example: A student transfers in BUS 201 and ECO 330 which were not Writing Enhanced courses at the other school, therefore the student takes his/her major's W3 course (ECO 329) and a second W3 course (ECO 479, BIS 377, or BUS 365) from one of the LHR departments (Psychology, Business Administration, Economics) to satisfy both W2 and W3 requirements.
