University Senate Curriculum Committee  
February 12, 2014  
Minutes  
Approved 2/19/2014

Present: Barbara Liu (chair), Zoran Pazameta, Anita Lee, Jennifer Huoppi, Catherine Tannahill (associate chair), Leslie Ricklin, Carolyn Coates (recorder), Jennifer Leszczynski

Absent: SGA Representative (Sherona Ramsey?)

The meeting was called to order at 12:03 pm.

The minutes from the January 29, 2014, meeting were approved.

Other reports: We probably won’t have new agenda items to consider next week (but expect to have some left over from this meeting). Barb and Cathy reported on yesterday’s Senate Executive Committee discussion of the Online Course Subcommittee’s recommendations that departments might develop policies on online instructors and that the university might explore potential accessibility issues in online courses. Barbara will draft a memo to the deans encouraging them to work with the department chairs to develop policies for online instructors. Barbara will also meet with Lyndsey Lanagan-Leitzel (chair of the Support Services Committee) and the Coordinator of the Office of AccessAbility Services to discuss accessibility.

The review of all of the Health Sciences Program proposals is tentative until we’ve considered each element of the package:

a. **Physical Sciences Department**  
Health Sciences Program (Toedt/Swanson)  
Program modification requiring BOR approval or notification  
UConn nursing issue (required? Or move to another section), catalogue description needs editing and proofreading, faculty ranks and titles should be listed more consistently (near end) for the BOR (this is basic catalogue information and should be readily available).

b. **Sociology/Anthropology/Social Work Department (Lugo/Kenny)**  
ANT 302: Research Methods in the Health Sciences (to be cross-listed with HSC 302)  
New course proposal  
Needs signature from Writing Program. Is this course for the HSC major? If for a minor, which one? Please correct Form C. Why is instructor permission required for a course required for all? Should the Introduction to Public Health be listed as a pre- or co-requisite? Even if it's a recommendation rather than a requirement, please list this in the course description (by the time students see the syllabus it’s too late).

c. **Communications Department**  
COM 255: Health Communication (Toedt/Swanson/Hale)
Change in existing course
HSC 255: Health Communication
New course proposal
COM previously approved and instead needs modification for cross-listing; HSC 255 is a new course; we need a letter of approval from the Communication Dept. approving the use of this course for the new HSC major.

d. Health and Physical Education Department
HPE 215: Introduction to the Health Sciences (Toedt/Swanson/Williams)
New course proposal to be cross-listed with HSC 215
Please include some indication of how many hours the class meets on the syllabus (lecture and lab).

e. Health and Physical Education Department
HPE 225: Medical Terminology (Toedt/Swanson/Williams)
New course proposal to be cross-listed with HSC 225
Documentation appears to be complete.

f. Health and Physical Education Department
HPE 318: Anatomy and Physiology I (Toedt/Swanson/Williams)
New course proposal to be cross-listed with HSC 318
Documentation appears to be complete.

g. Health and Physical Education Department
HPE 319: Anatomy and Physiology II (Toedt/Swanson/Williams)
New course proposal to be cross-listed with HSC 319
Documentation appears to be complete.

h. Health and Physical Education Department
HPE 328: Applied Anatomy and Physiology (Toedt/Swanson/Williams)
Departmental Support for an Overlapping Course
Please indicate which course this applies to.

i. Health and Physical Education Department
