University Senate Curriculum Committee  
April 11, 2014  
Minutes  
Approved 4/16/2014

Present: Barbara Liu, Zoran Pazameta, Anita Lee, Carolyn Coates, Catherine Tannahill, Leslie Ricklin

The meeting was called to order at 3:02 pm.

The minutes from the previous meeting (April 9th) were approved.

Other reports: At Tuesday’s Senate meeting, issues with the Liberal Studies major will be addressed with a friendly amendment to the current bill with further issues to be addressed next year. Our last meeting of the semester will be next Wednesday, April 16th, so that the results can be reported to the Senate the following week.

Proposals considered:

A. Business Administration Department
   BUS 324: Marketing Management for the Hospitality Industry (Cavarkapa)
   On-ground hybrid approval, change of course description
   Approved.

B. Psychology Department
   PSY 230: Family Psychology (Everton)
   Online course proposal
   Approved.

C. Environmental Earth Science Department
   Geographic Information Systems (Drzewiecki)
   Program modification not requiring a bill
   Tabled: Please include before and after versions of the program (as the form requests); the layout of the requirements as presented is confusing (including “course X or course Y” on one line might help, for example); including the total credits and credits per course in the requirements would also clarify the requirements for students and others

D. Environment Earth Science Department
   EES 300: Basics of Geographic Information Systems (Drzewiecki)
   Change course title to: Introduction to Geographic Information Systems and change catalog description for spring 2014
   Approved.

E. Environmental Earth Science Department
   EES 301: Introduction to Geographic Information Systems Laboratory (Drzewiecki)
   New course proposal
   Tabled: please fill-in box indicating student credits.

F. Environmental Earth Science Department
EES 340: Geographic Information Systems with Laboratory (Drzewiecki)
Change catalog description
Approved.

G. Environmental Earth Science Department
EES 342: Advanced Geographic Information Systems with Lab (Drzewiecki)
Change prereqs from: EES 340 TO: EES 340 or EES 300 and EES 301 and change catalog
description
Approved.

H. Environmental Earth Science Department
EES 444: GIS Applications in Environmental Science (Drzewiecki)
Change course title to: Geospatial Applications Using Remote Sensing and change prerequisites
FROM: EES 342 TO: EES 340 or instructor's consent
Approved.

I. Visual Arts/Performing Arts Departments
Costume and Fashion Design MINOR (Dawson/Pellegrini/Calissi)
Program modification not requiring a bill: moving Art 216 from elective to core
requirements
Approved.

J. Performing Arts Department
Music Program (Pellegrini/Calissi)
Program modification not requiring a bill for fall 2014: replacing MUS 230 with MUS 355
Approved.

S. Performing Arts Department
Music Program #3 (Pellegrini/Calissi)
Program modification not requiring a bill for fall 2014: moving MUS 309 from
composition concentration to the core for the major
Approved.

T. Performing Arts Department
Music Program #4 (Pellegrini/Calissi)
Program modification not requiring a bill for fall 2014: changing the name of the
concentration from Music Theory/Electronic/Music Composition to Music Theory/Composition
Approved. Please note: it would have been wise to have combined these three
proposals.

K. Economics Department
ECO 300: Mathematics for Economics (Mann/Brown)
Change course title to: Quantitative Methods for Economics, change prerequisites ECO 200 and
ECO 201 TO ECO 200, ECO 201 and ECO 215, change catalog description for fall 2014
Approved.

L. Economics Department
Business Economics Track (Mann/Brown)
Program modification not requiring a bill for fall 2014
Approved.

M-1. **Math/Computer Science Department**
Program modification for the Computer Science Major, adjusting the credits to agree with the updated courses.
Approved.

M. **Math/Computer Science Department**
CSC 339: Network Management and Administration (Tu)
Change course credit from 4 to 3, change catalog description and change enrollment from 24 to 20
Approved.

N. **Math/Computer Science Department**
CSC 351: Signals and Systems (Tu)
Change course credit from 4 to 3
Approved.

O. **Math/Computer Science Department**
CSC 356: Digital Logic Laboratory (Tu)
Delete from catalog and master course file
Tabled: in order to delete this course we need signed hard copies of the paperwork for changes in the Computer Engineering Sciences minor along with before and after descriptions of the program with the changes highlighted.

P. **Math/Computer Science Department**
CSC 358: Parallel Processing (Tu)
Change course credit from 4 to 3, change catalog description and enrollment from 24 to 20
Approved.

Q. **Math/Computer Science Department**
CSC 320: Computer Organization and Architecture (Tu)
Change prerequisites from CSC 210 and MAT 230 TO: CSC 210 and (MAT 230 or CSC 230)
Approved.

R. **Math/Computer Science Department**
CSC 325: Introduction to Theory of Computing (Tu)
Change prerequisites from CSC 210 and MAT 230 TO: CSC 210 and (MAT 230 OR CSC 230)
Approved.
