**Cesar Chavez Distinguished Service Awards Ceremony**

**Wednesday, April 27, 3 pm**

**Student Center, Theatre**

**Keynote Speaker: Jose Galvez**

For over 40 years, José Galvez has used black and white film to create a powerful and unparalleled historical record of the Latino experience in America. His compelling work, done with respect, pride and no pretense, captures the beauty of daily life.

Galvez’s personal story is as compelling as his photographs. Born into the Mexican barrios of Tucson, Galvez had a determination to work hard and move beyond what others had decided would be his future. And yet, he has never forgotten his roots.

His photographs have been exhibited in museums and galleries here and abroad, including the Smithsonian. But more often, you’ll find him toting portable exhibits to schools, libraries, fiestas, lowrider shows, and rodeos.
