Attendance: It is expected that you be there on time for each and every class. Due to the intensity of the course, skipping classes is strongly discouraged. If for some reason you should miss (part of) a class, then it is your responsibility to find out from a friend what has been covered and assigned and make it up.

Evaluation: The longer exams will account for 40% of your grade each and the shorter one for the remaining 20%.

Grades: The ranges for the grades are the following:

A-, A	90% and above
B-, B, B+	80% - 89%
C-, C, C+	70% - 79%

How to get help: You are encouraged to come see me for help after class, if you have difficulties with the subject matter.

Students with disabilities: If you are a student with a disability and believe you will need accommodations for this class, it is your responsibility to contact the Office of AccessAbility Services at (860) 465-5573. To avoid any delay in the receipt of accommodations, you should contact the Office of AccessAbility Services as soon as possible.
