Instructor: Christian Yankov
Office and Phone: Science Building, Room 162, (860) 465-0171, from campus phones 5-0171
E-mail: yankovc@easternct.edu
Web Page: www.easternct.edu/~yankovc
Time and Place: TWR, from 8:00 am to 11:30 am, from Tuesday, May 21 through Thursday, June 27, 2013, Science 116.
Calculator: A graphing calculator is required for the course like TI-83 or TI-84. If you are a continuing student at Eastern, the recommended one is TI-89, 92, or Voyage 200, since this is the one that will be used in all Calculus classes later.
Office hours: After class, by appointment.
Prerequisites: MAT 101 or placement at this level.
Course topics: Functions and their graphs, linear and quadratic functions, polynomial and rational functions, exponential and logarithmic functions, trigonometric functions and equations.
Class format: Class meetings will consist of a lecture and include related problem solving.
Attendance: It is expected that you be there on time for each and every class. If for some reason you should miss a class, then it is your responsibility to find out from a friend what has been covered and assigned before the next class, and make it up.
Homework: After each class you will get a homework assignment. It will not be collected and graded, but must be completed and should prepare you for the quizzes and exams. I cannot stress enough the importance of doing the homework. It is a critical factor in building and reinforcing your knowledge, as well as helping you identify your week points.
Quizzes: Quite often at the beginning of class time there will be a short quiz. This should keep you alert and following the material carefully, closely and timely.
Exams: There will be two longer exams during the course. Exam 1 will be given around at the end of the third week. The Final exam will be on the last day of classes.
Evaluation: The quizzes will account for 20% of your course grade, and the two longer exams will account for 40% each.
Grades: The ranges for the grades are the following:
- A-, A  90% and above
- B-, B, B+  80% - 89%
- C-, C, C+  70% - 79%
- D, D+  60% - 69%
How to get help: You are encouraged to come see me, if you have difficulties with the subject matter. Do not put off asking for help, if you need it.
Make-ups: There will be no make-ups for quizzes, since I will drop the lowest one. Make-ups for exams are strongly discouraged and might be allowed for truly exceptional reasons only, and with my prior permission.
Students with disabilities: If you are a student with a disability and believe you will need accommodations for this class, it is your responsibility to contact the Office of AccessAbility
Services at (860) 465-5573. To avoid any delay in the receipt of accommodations, you should contact the Office of AccessAbility Services as soon as possible. Please note that I cannot provide accommodations based upon disability until I have received an accommodation letter from the Office of AccessAbility Services. Your cooperation is appreciated.

**Academic Misconduct:** Students should read and understand Eastern’s Academic Misconduct Policy, which can be found in the student handbook or at the following website:

kb.easternct.edu/article.aspx?article=1522&p=11

All violations will be handled under the procedures established in this policy.

**Disclaimer:** The instructor reserves the right to make changes to this syllabus during the semester as necessary.
