

Download Microsoft BI Instructions Including DataMart Access

1.

Click or paste the following link into your MS Edge browser

<https://powerbi.microsoft.com/en-us/downloads/>

The screenshot shows the Microsoft Power BI Downloads page. The 'Microsoft Power BI Desktop' section is highlighted with a yellow border. It includes a 'Download >' button and a link for 'Advanced download options >'. Below the Desktop section are 'On-premises reporting with Power BI Report Server' and 'Microsoft Power BI Report Builder'. To the right, the 'Microsoft Power BI Mobile' section is visible, along with download buttons for Microsoft, the App Store, and Google Play.

Microsoft Power BI Desktop

With the Power BI Desktop you can visually explore your data through a free-form drag-and-drop canvas, a broad range of modern data visualizations, and an easy-to-use report authoring experience.
