Eastern Connecticut State University is a public university that feels more like a private liberal arts college. It's a place where a love of learning is palpable — and the drive to make a difference is even more so. With every discovery and achievement, your life will become fuller, your abilities sharper and your world brighter.

This informational packet is offered to help you prepare for your enrollment at Eastern and help ensure a smooth transition to our university community. The checklist provided in this packet can be utilized to help you keep track of the steps in finalizing your enrollment.
Housing

Studies show that students who live on campus are more likely to get involved and learn valuable educational, social and leadership skills. Eastern offers residential alternatives to fit every student. That’s why more than 2,700 students call the campus home. At Eastern, your residence is more than just a place to sleep—it’s also an exciting, active community that will help promote your personal and academic growth. From “Dean’s Cup” competitions, to study sessions to hall government meetings, there are plenty of activities in which to get involved.

Three Easy Steps to Apply for Housing
1. Pay the non-refundable $250 housing deposit (in addition to the $200 tuition deposit).
3. Check your Eastern email account for updates on the status of your housing application (beginning April 15).

Course Registration and Placement

Eastern offers incoming transfer students the ability to register at the same time as continuing students at Eastern for better course selection. To begin the registration process, contact the Advising Center as soon as possible at (860) 465-4526 to schedule an appointment with a professional advisor. Additional information can be found here: http://www.easternct.edu/advising/.

Transfer students who have not completed the English and Math requirements for Eastern’s Liberal Arts Core (LAC) curriculum, please visit the link above, click on Current Students, Mathematics and Writing Placement Information, for an explanation of your placement into English and Math course(s).

Transfer students who have taken the equivalent of ENG 100 (College Writing), or MAT 101 (Intermediate Algebra or higher) at another college or university are not required to take the writing/math placement tests.

SOAR 2014

SOAR is a one-day program designed to introduce new students to life at Eastern, provide academic advising and finalize course registration for the upcoming semester. This program is intended to promote academic success and student involvement by providing students with an opportunity to meet other students, student leaders, faculty and staff and by introducing important information about resources available within the Eastern community. Please register online for our 2014 SOAR to be held on July 14 or 15 at http://www.easternct.edu/orientation/.

Create Personal Goals: Opportunities at Eastern
