***\*Put your azure portal location somewhere easily accessible\****

# Installing Microsoft project

From the above link, scroll down to here

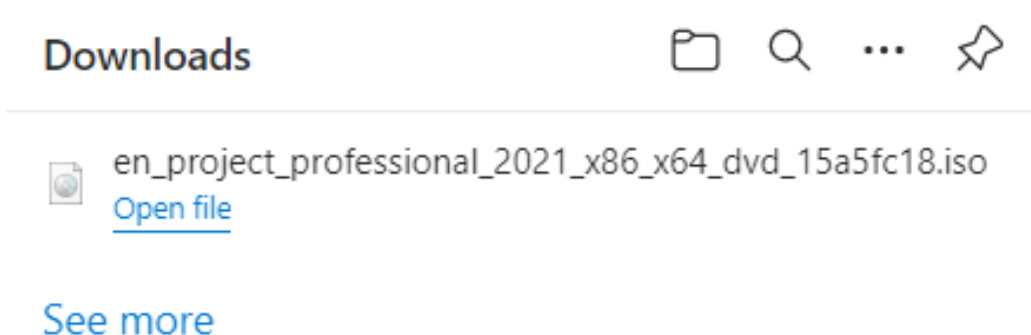

The screenshot shows the Microsoft Azure portal interface. The top navigation bar includes the Microsoft Azure logo and a search bar. The left sidebar contains navigation options: Home > Education, Overview, Learning resources, Roles, Software (selected), Learning, Templates, GitHub, Need help?, and Support. The main content area displays a list of software products with columns for product name, category, operating system, architecture, and language. The row for 'Project Professional 2021 - DVD' is highlighted in yellow.

Click on the blue colored text, and then click download.

**\*\*Be patient, it is a large file and may take some time.\*\***

Once it is done downloading, click on the iso file to open it.

The screenshot shows a file explorer window titled 'Downloads'. It contains a single file named 'en\_project\_professional\_2021\_x86\_x64\_dvd\_15a5fc18.iso'. Below the file name is a blue link labeled 'Open file'. At the bottom of the window, there is a 'See more' link.

Click on the orange box where it says “setup”

Windows File Explorer view of a DVD Drive (D:) containing files for Office, autorun, and Setup.

Name	Date modified	Type	Size
Office	9/22/2021 2:31 PM	File folder	
autorun	9/14/2021 3:10 PM	Setup Information	1 KB
Setup	9/22/2021 2:30 PM	Application	441 KB

This will now be downloading.

Please stay online while your app downloads

We'll be done in just a moment.
