## IBM Modeler 18.4 Installation Steps

Step 1: After the IBM Modeler .zip file is downloaded to your PC or Mac, right click .zip file and click Extract all.

Step 2: Click **Browse** to specify the folder you would like to extract the files to (tip: create separate folder for the IBM Modeler)

	Browse

Step 3: click **Extract** and wait for IBM Modeler file to extract to file directory (red circle is supposed to show the folder I made to extract to, markup image saved weird)
