

BIS-AITP Alumni Social

On Saturday, September 14, 2019 from 12:15 to 2:30 PM BIS-AITP hosted the 3rd Annual BIS-AITP Current Student, Alumni, Faculty & Friends Social in Johnson Room (204) of the Eastern Library. Lunch and refreshments were provided to those in attendance. This social provided its attendees a great opportunity to meet and chat with other BIS-AITP students, BIS-AITP alumni, BIS faculty, and employers in a very casual, come and go setting.

Students were given the opportunity to learn about what it is like to have different types of careers in the “real-world” in biz-tech and what internship and career opportunities exist at the companies where they work. Current students also learned more about current and upcoming trends in new technologies and hot biz-tech career opportunities. BIS-AITP alumni were able to give current students a variety of insights and perspectives on how to benefit more from the options available in the BIS Program for different types of biz-tech careers.
