REFUND POLICY

Your official withdrawal date will be the date noted on this form. Your official withdrawal date can impact the amount of financial aid you are able to keep and any refund of tuition, State University fees, University General fees, Student Activity fees, and housing fees. Tuition and the noted fees are refundable based on time attended. Please see the official policy on the Bursar site at <http://www.easternct.edu/fiscalaffairs/bursar/refund-policy/> for details.

Financial aid adjustments are made separately from the University Refund policy and are based upon federal requirements. Please see the Financial Aid site at <http://www.easternct.edu/finaid/federal-withdrawal-policy/> for details. You need to be aware that your withdrawal and potential reduction in financial aid could result in a balance owed to the University.

Any funds available as a result of the tuition and fee refund will first be applied to your outstanding financial aid balance (if any) before being refunded to you. This process can take up to six weeks.
