FINE ARTS INSTRUCTIONAL CENTER  |  DEPARTMENT OF ART AND ART HISTORY
The mission of the Department of Art and Art History is to provide instruction and inspiration to a diverse group of students. Art History, Digital and New Media, and the traditional media studio arts come together in an exceptional facility which provides students with an understanding of technique, visual and written communication, and the role of critical and creative thinking in society. Students designed brochures for Community Engagement to promote its mission “to build a culture of civic responsibility and engaged learning.” The CCE connects Eastern students and faculty with local and state-wide community partners. Students build professional and leadership skills while serving the needs of the community. This brochure provides information about the wide variety and substantial amount of community-based learning at Eastern. It also promotes the benefits for faculty to work with CCE to build customized learning activities.
