Administrative credits are not academic credits and therefore, are not counted toward academic degree requirements for graduation. THE OFFICE OF CAREER SUCCESS DOES NOT GRANT ACADEMIC CREDIT

This form must be completed and signed by the student and the Career Success staff immediately upon a Co-Op job acceptance. Co-Op students will be required to:

- a) Have all university fees paid in full and maintain a zero balance due the University both before and during the Co-Op;
- b) Maintain a GPA of 2.0 or higher;
- c) Students must be clear of any current formal judicial proceedings for student misconduct.

FEES:

For Part Time Students

All other fees are waived including the course fee and registration fee if it is a Co-Op designated course. If a student is taking a course for credit, they pay all fees including the course fee and registration fee.

For Full Time Students

If the student is taking only Co-Op designated courses, then the following charges are waived: Tuition, State University Fee, Student Activity Fee, University General Fee (except for accident insurance)

The student must pay: Accident Insurance, Sickness Insurance (unless waived) and Technology Fee. For any courses that are taken for academic credit, the student must also pay the standard continuing education charge as well as a registration fee.
