## ***Guiding Young Children's Behavior***

### ***Segment 4: Establishing Classroom Rules***

#### ***TRANSCRIPT for Objective 1***

#### ***Why Children Should be Involved in Setting Rules***

*This video has captions. You can turn them on by clicking the captions icon at the bottom of the video.*

**Host:** Rules are critical for keeping children safe and helping them learn appropriate behavior. We often think about rules as limits to behavior, as something imposed by adults and often resisted by children. But research shows that children actually prefer rules in a classroom. They don't feel safe without them. Children find rules fascinating and they can think about them and understand them at a surprisingly early age.
