

## Campus Walk Permission Form

As part of our Curricular activities at the CFDRC, we occasionally take the children on supervised walks around the campus to explore and engage with the natural environment and campus community and any special events which may be offered. These walks provide wonderful opportunities for learning, movement, and connection with the world around them.

We require your permission to include your child in these supervised walks. Walks will always be led by staff members and will remain within the boundaries of Eastern Connecticut State University. We always bring the following: First Aid kits, child's medication if applicable, mobile phones, walkie talkies, and use a walking loop where each child holds on to a color/loop. This permission is valid for the duration of my child's enrollment unless rescinded in writing. The safety and well-being of your child is always our top priority.

Please complete and return the consent form below:
