

## Family Information Sheet: Cultural and Family Traditions

In an effort to promote cultural awareness in the classrooms we would love to know more about your family and your traditions. Please take a moment to share some information that you think will help us get to know your child and your family better.

Child's Name:
Parent/Guardian(s) Name(s):
• What languages are spoken at home? What language does your child speak and understand?
What is your family's ethnic/cultural background? Are there any family traditions, customs, stories, foods, or songs that you would enjoy sharing with our class?
• What beliefs/values do you feel are most important when raising your child? (Nutritio TV viewing, super heroes, religious beliefs, respect for authority, hygiene, etc.) What important for us to know to make you feel comfortable here?
• Would you be willing to share a cultural or family game, rhyme, or song with us in the classroom?
