

Tuition Payment Policy

Tuition bills are distributed on a monthly basis. Payments for the month are expected to be paid in full upon receipt of the bill. Families are required to be current in their child care payments at all times. If payment for the month has not been received within 30 days, a Notice of Failure to Pay will be mailed to the party responsible for payment advising them that their child may not be able to attend school and may lose their slot at the CFRDC. The CFRDC Center reserves the right to terminate enrollment of a child based on non-payment of fees.

Families are legally obligated to pay in accordance with the CFRDC's payment policies and deadlines. Any unpaid financial obligation may be referred to the CFRDC's contracted collection agency through Eastern Connecticut State University and families will be responsible for any related collection costs in addition to the amounts due.

Dismissal Policy

The Child and Family Development Resource Center reserves the right to cancel the enrollment of a child for non-payment of fees, frequent tardiness, or in special circumstances where it is not possible for the program to meet a particular child's or parent's/guardian's individual needs. We will make every effort to work with families to find mutually agreeable solutions and dismissal will be used as a last resort.
