Testing Accommodations
7941 Corporate Drive
Nottingham, MD 21237
Prometric strives to provide an equal testing opportunity for all candidates. The purpose of any special accommodation is to ensure that the examination results reflect a candidate’s aptitude or other factor that the exam is designed to measure, rather than reflecting the candidate’s sensory, manual or psychological skills (except where those skills are factors the exam is designed to measure).

We ask all candidates requesting an accommodation to take the time to carefully complete this packet before submitting their request. A completed Accommodation Request Packet includes the Candidate Accommodation Request Form, the Professional Evaluation Form and any additional verification required. A complete packet will allow Prometric to assist the candidate in arranging the best accommodation possible for the situation. We are unable to process incomplete Accommodation Requests.

**State Based Candidates**
Please note this application is valid for one (1) year from the approval date. If you wish to test with accommodations after your approval expiration date, you must resubmit a new application for processing.

**IT Candidates**
A new application is required ONLY when changing accommodations and/or changing certification clients, i.e. Microsoft and CompTIA.

Completed Accommodation Request Packets will be reviewed within 5 to 7 business days and will be kept confidential. Accommodations will be arranged as quickly as possible and at no extra charge to the candidate.

Our Special Accommodation Registrars are here to help you. Please contact us to answer any questions or concerns about who signs where, or what type of accommodation would work best for you or to simply walk you through the request process.

To help you in your request, Please keep the following in mind as you complete this packet:

1. All test sites are wheelchair accessible — No request is required.

2. You MUST either have an appropriate professional (an internist, for example, is not appropriate to diagnose a mental disorder or reading disability) complete the Professional Evaluation Form OR provide existing documentation from the person(s) who granted you the same or similar accommodation you are now requesting in another formal testing environment (the Professional Evaluation Form must still be returned with the appropriate box marked).

3. Any documentation provided in support of the processing of your application, shall not be dated back more than one (1) year from your accommodation request date.

4. We can NOT make any accommodations of a “personal nature” (lifting or feeding, for example).

5. If you choose to provide existing documentation of a similar accommodation, you may be required to provide additional verification.

PROFESSIONAL EVALUATION FORM

To the Professional:

By submitting this form with your signature and license number listed, you are verifying that you have formally diagnosed the candidate named on this form as having the disability documented below or, in your professional capacity; you have worked with the candidate in dealing with the disability documented on the following page. You further verify that the accommodation you recommend is necessary to fairly demonstrate the candidate’s ability in a licensure exam.

The purpose of any special accommodation is to ensure that the examination results reflect a candidate’s aptitude or other factor that the exam is designed to measure, rather than reflecting the candidate’s sensory, manual or psychological skills (except where those skills are factors the exam is designed to measure). Our intent is to provide equal opportunity for all candidates. The accommodation must not unfairly advantage or disadvantage the candidate.

Please call us if you have any questions regarding the exam or response format, physical environment, required documentation or determination of appropriate and reasonable accommodations. For example, while a reader or scribe is a reasonable accommodation, providing a written paper exam for a computer-based test or a computer-based test for a written paper exam is a VERY difficult request to honor and is generally not considered reasonable. Finally, Prometric is unable to accommodate a request for “unlimited time.” If extra time is needed, please specify the amount.
